Re: Revision of Part 15 of the Commission's Rules Regarding
Ultra-Wideband Transmission Systems
ET Docket 98-153

Dear Ms. Dortch:

On 3 March 2004, Mr. Robert Mulloy, MSSSI Vice President, and I met with staff from the FCC's Office of Engineering and Technology (OET) to discuss our response to the Further Notice of Proposed Rule Making in the above referenced proceeding. Present at the meeting from OET were Mr. Ed Thomas, Mr. Julius Knapp, Mr. Alan Scrimme, Mr. Rashmi Doshi, Ms. Karen Rackley, Mr. John Reed, Mr. Ron Chase, and Mr. Steve Jones (via VTC).

We discussed our July 21, 2003 submission to the Further Notice of Proposed Rule Making (FNPRM), particularly as it related to §15.35, and the relaxation of the "field of use" constraints in Part 15 Subpart F.

Sincerely,

Robert J. Fontana, Ph.D.
President
